

MEDOFF

Transnational medical company

Ophthalmic / Optical Equipment

A modern, clear view of business

Mission

More than 90% of information about the world around a person is perceived through vision.

The MEDOFF company sees its mission in the preservation of this priceless gift - **VISION**.

We work to ensure that life is filled with light and colors of all shades.

LET'S LOOK INTO THE FUTURE TOGETHER!

MEDOFF is the official representative in the EurAsEC countries and Central Asia of the world's leading manufacturers of ophthalmic equipment: VOLK (USA), OPTOPOL (Poland), KEELER (Great Britain), GEUDER (Germany), SUNKINGDOM (China), HUVITZ (South Korea), POTEC (South Korea), SONOPTEK (China), 66 VISION (CHINA), SUZHOU KANGJIE MEDICAL (CHINA), PROGRESS

(Ukraine), LAZMA (Russia).

The range of products is constantly expanding. Our partners are reliable companies that have proven themselves in the market.
